JERRY AND KAREN JACOB

"In His law the islands will put their hope," Isaiah 42:4.

September 2009

Recently, a wonderful opportunity was given to Karen and Judy Rachels, Southern California A/G District superintendent's wife, to be the speakers for the 19th National JIE (Women Who Care or Women's Ministry) of the Marshall Islands. It was a real homecoming for Karen to see many of the women with whom she worked when we ministered in the Marshall Islands for eight years. There were over 1,000 women present, and what a week it was—teaching, preaching, fellowshiping, singing (and can they sing), and laughing together. The JIE of the Marshall Islands raise funds for vehicles, household equipment, and staples for their pastors—especially those in the outer islands. In the past 10 years, they have raised over \$324,000 and have used it in the work of the ministry. To God be the glory great things He has done. They have learned the principle of stewardship and giving . . . as they give what God places in their hands, He blesses abundantly above all they could ask or think. Remember: The Marshall Islands is an atoll island nation with 54,000 people and is a Third World nation!!!! Little is much when God is in it! What is in your hands?

Vinaka vaka levu (thank you very much in Fijian) for partnering with us to touch, plant, teach, and reach the Pacific Oceania islands with the love of Jesus. We could not be here without you.

Your missionaries to the Pacific Islands,

Jerry and Karen
