Greetings from Islamabad!

Spring Up!

For as the soil makes the sprout come up and a garden causes seeds to grow, so the Sovereign LORD will make righteousness and praise spring up before all nations. Isaiah 61:11 NIV

As we move quickly into the Spring of 2009 our hearts cry out for the Sovereign LORD to make righteousness and praise spring up before all nations. Thank you for your prayers and financial support as we continue to share God's grace found in the gospel of Jesus Christ with the International community in Islamabad.

Political turmoil continues to abound here in Pakistan and as it does we continue to look for opportunities to share the love of God with so many who have lost hope that peace will come anytime soon. Since January suicide bombings, an armed attack on the cricket team from Sri Lanka and political leaders advocating the overthrow of the current government have all added to the chaos and sense of despair within Pakistan. At the same time God gives us many reasons to praise him.

- We give thanks for physical strength and healing, especially for recently touching Blanche and freeing her from much pain in her hip.
- Praise God for the opportunity later this spring to teach a Baptism class for the students at Murree Christian School and for those who will be baptized at the conclusion of the class. The families of many of these students share the gospel in very difficult and dangerous situations.
- We are thankful and excited to receive the news that we will become grandparents again in September.
- Thanks to God for working in the lives of the children at the International church here in Islamabad. One mother commented to me last Sunday that her boys look forward to coming to Sunday School each week to learn more about Jesus.

We know that God has called us to bring the Good News of the Gospel to this very needy part of the world.

Thank you for your partnership!
